

I would like to personally thank you for visiting our website and thank you for your interest in our organization. I have been an active member since 2001.

Some of the reasons that I was drawn into this Organization was the fact that every member is a Police Officer with NO exceptions. We have no social memberships. Within this Organization I found that every member shares a common bond besides Law Enforcement and that's Brotherhood.

Currently we have eight states with established Chapters. We are always open and willing to expand our membership to new states as well. We are not associated with any other motorcycle clubs. Our Organization was established in 1995 so we have been around for over 25 years.

If you are an active or retired Police Officer that is a motorcycle enthusiast who enjoys the camaraderie of riding with likeminded brothers our Organization may be a good fit for you. We are an organization that is based on Brotherhood, Loyalty and Respect. I will tell you that you will not find a better group of Brothers.

Requirements to be a member of our Organization start with you contacting us. We will then conduct a light background to assure we are getting qualified and quality members. There is a probationary period where you'll be required to make some meeting and events. We understand that family and job requirements come first. Like any other organization, there are annual dues. These dues are set by the local Chapters. No probationary members are ever abused or hazed.

If you have any questions or would like to contact me personally, go to our homepage and click the "contact" tab. Send me your name, email address and any comments or questions and I will be happy to answer you.

I am looking forward to hearing from you! Until then, ride safe, be safe and most importantly, Stay Safe!
